Rocks storm into first-ever Class 4A South State title game with 56-30 win

By Joseph W. Gex, II

SSC Alumni Association President, SSC Class of 1988

In their 94th season of football, the St. Stanislaus Rock-a-chaws (12-1) continue to make history on the gridiron in 2009. The Rocks used a 56-30 win over the Forrest County AHS Aggies as a springboard into their first-ever Class 4A South State Championship game.

Their appearance in this game marks the furthest that any football team at SSC has advanced in the state playoffs under the current format. It also marks the farthest that any Hancock County team has ever advanced. The 12 wins in 2009 is also the most in a season for the Rocks.

In the 4A state quarter-finals last week against Forrest County, Krisjon Wilkerson also joined his teammate, Dylan Favre, in the state record books as he set three state records and tied two others. Wilkerson caught 10 passes for 176 yards and 3 touchdowns. Those totals gave him 95 receptions on the season which set the new single-season reception mark that eclipsed the old mark of 94 set by Robert Coffin of Lamar in 2008. The receiving yards brought his total to 1,845 yards in 2009 which broke the previous record of 1,800 yards set by Jerry Bouldin of East Flora in 1986. His 2009 receiving yardage total also brought his career total to 3,365 yards which set a new career receiving yardage which eclipsed the previous best of 3,344 yards set by Phillip Harrison of MRA. Wilkerson also tied to state marks in the game. His three touchdowns last week gives him 40 touchdown receptions in his career which tied the mark set by Marquese Ray of Wayne County at 40 in 2006. His career receptions now total 186 which also ties the current mark set by Harrison. Any marks added to those numbers this week will set new state marks in those categories. Wilkerson is also just two touchdowns shy of tying a state record for touchdown receptions in a season. Currently, he has 22 touchdowns on the season.

In the game against Forrest County, it marked the first time in the playoffs that the Rocks were scored on first. However, they quickly responded with 42 unanswered points to take a commanding 42-14 lead into halftime. The Rocks capitalized on four Aggie fumbles in the first half.

After the Aggies took a 7-0 lead on a Riley Brown two-yard run, Dylan Favre responded with a 40-yard scoring run of his own with 7:13 left in the opening quarter. Favre added his second scoring run with 2:06 left in the first quarter on a one-yard scamper that put the Rocks up 14-7. For the game, Favre rushed for 56 yards on six carries and two scores. He also passed for 468 yards and six touchdowns on 33-of-41 passing in the game. For the year, Favre is 301-for-460 passing for 4,829 yards and 56 touchdowns. He is just 171 yards shy of 5,000 yards passing in the season.

Favre threw scoring passes to Wilkerson, Kollin Cannon and Boomer Scarborough in the first half against the Aggies. Wilkerson hauled in an 11-yard toss that made the score 20-7 at the end of the first quarter. Favre then hit Cannon for a four-yard score that put the Rocks up 28-7 following a successful two-point conversion.

Favre threw two scoring aeriels to Scarborough in the second quarter that covered 24 and 8 yards that made the halftime tally for SSC 42-14. Scarborough went over the 1,000-yard barrier for receiving yards for the second consecutive season with an eight catch performance for 121 yards and two scores. He now has 64 receptions for 1,065 yards and 10 touchdowns in 2009. Cannon has 53 catches for 809 yards in 2009 and sits just 191 yards shy of 1,000 yards receiving.

The Rocks scored twice in the third quarter as Favre connected with Wilkerson on scoring tosses of 57 and 30 yards. Forrest County would score twice in the final quarter to make their final score. The Aggies scored on a 13-yard pass play and a three-yard run late in the game.

In the game, the Rocks amassed 568 yards of offense while holding the Aggies to just 241 yards. Favre had 524 yards of total offense in the win.

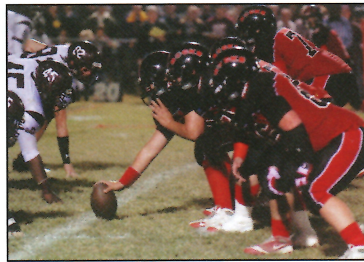

Defensively, the Rocks were led by Blake Morreale with 10 total stops which brought his season total up to 156. The school record for tackles in a season is 161 set by Cameron Byrne in 2000. Brice Thomas added nine stops while Jake Lindgren added two fumble recoveries in the game.

The game tonight against Greene County marks the second game in 2009 between the two Division 8-4A foes. Division 8-4A proved to be the South's most competitive division as they held three of the final four spots and tonight's top two spots.

SSC and Greene County played back on October 2nd in Leakesville. The Rocks won the game 42-21 behind a 40-of-49 passing effort for 506 yards and six touchdowns by Favre who set the career touchdown pass and career passing yardage state marks. Mitchell Brown led Greene County's charge in the first game with a 157-yard rushing performance on 17 carries and scored two touchdowns.

With both teams playing good football, tonight's game should be a great pairing. This is SSC's first foray this deep into the playoffs while Greene County has claimed a 3A state championship back in the early part of the decade. Strap yourselves in for what is shaping up to be a fun ride. Enjoy your time 'between the walls!'

Rocks revel in records in 2009

By Joseph W. Gex, II

SSC Alumni Association President, SSC Class of 1988

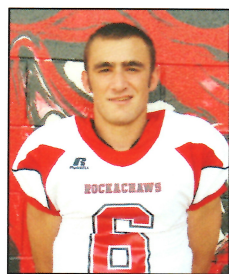

The 94th version of the St. Stanislaus Rock-a-chaws have had a record breaking year in 2009 in every sense of the word.

First, the 2009 Rocks have advanced further than any SSC gridiron team before them. Tonight, the Rocks are the host team in the Class 4A South State championship game 'between the walls' at the Brother Philip Memorial Athletic Complex. Prior to this season, the farthest that the Rocks had advanced was the second round in 2004.

Second, the Rocks have recorded 12 wins to a single defeat in 2009. That is the most wins in one season in school history. The lone defeat was a 21-20 loss to Jackson Prep on September 4th in the capitol city.

Thirdly, the Rocks have enjoyed several record-setting performances from players this season that have enabled them to get to this point. Furthermore, these are not just school records but rather Mississippi state records.

Dylan Favre, the senior Rock signal caller, has his name etched on state records for most passing yards in a single game, most passing yards in a season, most passing yards in a career, most touchdown passes in a season, most touchdown passes in a career, total offense for a season, total offense for a career, touchdown responsibility for a season and touchdown responsibility for a career.

Favre

Favre set the state record for touchdown passes in a season with 45 in 2008 and broke his own mark earlier this season. So far in 2009, he has thrown 56 touchdown passes. Favre also owns the career touchdown pass state record with 137 so far in 2009. In the second game of 2009 against Mendenhall, he threw for a state record single-game best 562 yards. There have only been six recorded 500-plus performances in state history and Favre has four of the six. His other 500-plus performances came against Pass Christian (543 yards), Quitman (518 yards) and Greene County (506 yards).

Favre has also set the state record for single-season passing yards with 4,829 yards and counting while also setting the career passing yardage state record with 11,799 yards and counting. He has accounted for 71 touchdowns this season (56 passing, 15 rushing) which broke the previous state record of 54. He also owns the career touchdown responsibility record with 159 which surpassed the earlier career record of 127.

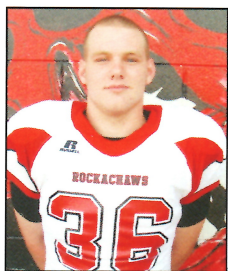

Finally, Favre has set the state record for total offense in a season and total offense in a career. In 2009, Favre has amassed 5,971 yards of total offense. For his career, Favre currently has 13,379 yards of total offense.

Favre's senior wide receiver Krisjon Wilkerson recently got in on the state record swapping. Last week, Wilkerson set state marks for career receiving yardage (3,365), single-season receiving yardage (1,845) and single-season receptions (95). He has also tied state marks for career receptions (186) and career touchdown receptions (40). The next reception and touchdown pass he catches will set the new standard in those categories. He is also two touchdown passes shy of tying the state record for most touchdown receptions in a season (24).

Wilkerson

Senior wide receiver Boomer Scarborough also went over the 1,000-yard barrier for receiving last week and now has 1,065 yards. This is the second consecutive season for 1,000 yards receiving for Scarborough. Kollin Cannon has 809 yards receiving so far in 2009. If he is able to haul in 191 yards receiving, it will give SSC the first trio of 1,000-yard receivers in the state.

Scarborough

Well, 2009 has been a record setting year on the gridiron. Hopefully, the records will continue to be set and put up numbers that won't be sniffed for quite some time. Go Rocks!

ST. STANISLAUS COLLEGE

SINCE 1854

St. Stanislaus College is a Catholic day and resident school for boys in grades seven through twelve. Since 1854, St. Stanislaus has made its priority the spiritual, academic, social, and physical development of each student.
